

Developing a Mastery Approach using High Quality Textbooks

Open Mornings

Dates: 22 November 2017, 31 January and 6 June 2018

Venue: St John's First School, Wimborne, BH21 1BX

This is an exciting opportunity to visit a Maths - No Problem! accredited school. This approach to developing a mastery approach to mathematics develops pupils' mathematical ability and confidence without having to resort to memorising procedures to pass tests - making mathematics more engaging and interesting.

The facilitators will be: Katharine Anstey, Head of School, St John's First School and Louise Jeffs, Maths SLE at Wimborne Teaching School.

Overview:

There will be an opportunity to visit a Year 1, 2, 3 or 4 class using the Maths- No Problem! material, discuss and understand the approach with a view to developing teaching towards mastery. There will be an opportunity to discuss the lesson observed with the class teacher and reflect on the core elements with the facilitators.

Objectives:

- The use of textbook material to support whole class teaching and mastery of mathematics
- The use of concrete and visual representations
- The use of variation ensuring children are able to draw out generalisations from examples
- Pre-lesson design and post lesson evaluation that looks at how particular lessons are developing mastery

Programme Overview		
Session Dates	Session Times	Key Focus
22 nd November 2017	9-11.45am	To observe a maths lesson and engage in professional dialogue.
31 st January 2018	9-11.45am	To observe a maths lesson and engage in professional dialogue.
6 th June 2108	9-11.45am	To observe a maths lesson and engage in professional dialogue.

NB: Purchasing or having any textbook material is **not** necessary

Outcomes:

- Evaluate how the textbook material contributes to children's deeper conceptual understanding of mathematical concepts and teaching for mastery.

For costs and how to book see over.

Cost & How to Book:

To book your place, please complete **all** information on the booking form, scan and return to contact@wimborneteachingschool.co.uk. Please note that places will be limited per session so please book early. The cost per delegate will be £75 per ½ day session. Any refreshments and resources will be provided.

An invoice following confirmation of your place will be sent prior to the event taking place. Submission of this booking form means you are agreeing to the appropriate cost as outlined above.
