Dear Parents & Carers

16<sup>th</sup> October 2018

### Parking at Drop-off & Pick-up Times

We have today received a complaint from a resident in Parkwood Road regarding ongoing inappropriate parking by parents who are blocking access to residents' driveways. There was also a specific complaint regarding a car parking on a resident's driveway yesterday.

We would reiterate to parents & carers the need to respect our neighbours in the surrounding roads by parking considerately when dropping off and collecting your children. Please do not block driveways and respect the white markings denoting access to individual properties. At no time should vehicles be parked on the yellow markings directly outside the school or on the bus stop as this represents a significant hazard.

We would remind parents that Harleston Villas is a narrow, private road and parking should be for residents only. There is also a residential care home for the elderly which requires emergency vehicle access through this road.

We have informed the local Community Police who will be assisting us in this matter.

Your continued support in keeping our children and local residents safe is appreciated.

Yours sincerely
