

Prevent Policy

Risk Assessment and Action Plan

The policy is written with due regard to the following:

Prevent Duty Guidance: for England and Wales (2023) (Prevent), Keeping Children Safe in Education (September 2023) (KCSIE), Channel Duty Guidance (2020) (Channel)

What is Prevent?

Prevent is part of the UK's counter terrorism strategy preventing people from becoming radicalised, involved in terrorism or supporting terrorism. It is the only aspect of the counter-terrorism strategy that operates before a crime has been committed. Prevent aims to identify children, young people and families at risk and to assess and reduce that risk. It includes non-terrorist forms of radicalisation including a range of extremist beliefs. It is part of the safeguarding agenda and links to our understanding of respecting and upholding British Values.

What is the Prevent duty?

The Prevent duty requires all education providers 'to help prevent the risk of people becoming terrorists or supporting terrorism'. This includes safeguarding learners from extremist ideologies and radicalisation. Most importantly, providers should consider the needs of children, young people and adult learners at each stage of the safeguarding process. Providers should consider radicalisation concerns in line with their existing safeguarding processes, skills and experience. This duty is known as the 'Prevent duty.' St John's First School recognises its duty to implement procedures to fulfil its duties under Prevent. Prevent is part of the school's wider responsibility for Safeguarding and Child Protection. The Headteacher has tasked the designated Safeguarding Lead as the person responsible for implementing the Prevent duty.

These duties are:

1. Risk Assessment – see Risk Assessment at Appendix 2.

- Assess the general level of risk, depending on geographical area or intake, of pupils being subject to radicalisation or drawn into terrorism/extremist activity.
- Put in place means to identify individual children who may be at risk of radicalisation or being drawn into terrorism/extremist activity.

2. Policies and Procedures

- Update safeguarding policies and procedures to identify children at risk of radicalisation and protect them. Such policies to include:
 - indicators of vulnerability (Channel Duty Guidance Annex C);
 - when it is appropriate to make a referral, whether to Children's Services in the normal way or to make a referral to the Channel programme;
 - protocols to ensure that visiting speakers, whether invited by staff or pupils, are suitably supervised;
 - procedures when a child goes missing;
 - a single point of contact to oversee and coordinate the school's implementation of the Prevent duty.

3. Training

- Provide training to staff on the Prevent duty. *See Appendix 1 for general information given to staff.*
- The DSL and Deputy DSLs have all undertaken the online Prevent training [E-LEARNING TRAINING ON PREVENT](#) in order to advise and train staff.

4. Building Resilience to Radicalisation

- In part through the existing duty to promote fundamental British values.

- In part through the PSHE curriculum teaching pupils to manage risk, resist pressure, make safer choices and seek help if necessary.
- In part through the citizenship, religious education and other relevant subject syllabus with focus on democracy, diversity, mutual respect and managing debate of political issues in a non-partisan manner.

5. IT Policies and Training

- Ensure that children are safe from terrorist and extremist material when accessing the internet in school.
- Check filters and revise ICT acceptable use policies.
- Equip (ie training) children to stay safe online, both in school and outside of school.
- Ensure teaching staff are aware of the risks posed by online activity of extremist and terrorist groups.

6. Working in Partnership

- Liaise with LCSB to establish what advice and support they can provide and for their assessment of general levels of risk within the local area.

Behavioural indicators

The following are possible signs that someone is being radicalised or drawn into terrorism:

- Change in behaviour or appearance;
- Adopting styles of clothes associated with groups with whom they have had no previous contact;
- Becoming isolated from friends, peers or family members;
- Becoming involved with groups of pupils who have strong ideologies;
- Viewing websites which contain extremist ideologies or symbols;
- Attempting to recruit others to an extremist ideology or cause;
- Vocalising extremist ideologies or using extreme language;
- Questioning identity and sense of belonging;

- Glorifying current terrorist activity seen in the media;
- Displaying extreme behaviour related to ideology and/or religion;
- Requesting extended holidays to unsafe places or places not associated with the family;
- Possessing or discussing extremist material; and
- Family not being aware of absence.

Motivators for such behaviours could be wide ranging. Terrorism is very unlikely but not impossible. Whatever the reason for a pupil's behaviour, remember that young people can be vulnerable and will benefit from our support. Please remember that the most important thing is to **do** something.

What do you do if you have a concern?

- Record your concern on 'My Concern'.
- At St John's School the Designated Safeguarding Lead is Michelle Prince. The Deputy DSLs are Sophie Guy and Ruth Everton. Michelle Prince is also the Prevent Lead.
- The concerns may result in a referral to the Children's Advice and Duty Services (CHaD), who will carry out a risk-assessment and pass the concern onto the **Channel** Programme if they deem it to meet the required threshold. Channel is a programme which focuses on providing appropriate support at an early stage to people who are identified as being vulnerable to being drawn into terrorism.
- Remember that anyone can make a referral, but in the majority of cases staff would consult with the DSL in the first instance.

Appendix 2 - “Prevent” Risk Assessment and Action Plan
